#### **FMCRC Launches Slander-Libel Legal Fund**

##### **Statement of FMCRC Chair Al Pina:**

We at FMCRC have launched a “Slander-Libel Legal Defense Fund” that will be used to file lawsuits against those who slander or libel an FMCRC Board member of affiliate organization. One of the first lawsuits will be filed against a newspaper that ran a story about me that was completely false and ridiculous. This article was cowardly in nature and we will demonstrate in court that it is not right to allow fools to write anything they wish to. This legal defense fund will be used to defend the reputations of not only FMCRC board members, but affiliate organizations of FMCRC that are slandered or libeled by similar cowards who are just outright troubled souls. Gossip will not be tolerated for its direct intention is to destroy and hurt.
